November 1, 2017

Dear Friend of Catholic School Education:

The Pope John Paul II Regional School (PJPIIRS) Board of Education, formerly Corpus Christi School Board of Education, is pleased to announce its first Annual Appeal to raise funds to support the legacy of Catholic education. The Annual Appeal will support an extensive mix of school initiatives most notably technology enhancements in the areas of Science, Technology, Engineering and Math (STEM), expansion of the Computer Lab, student scholarships, expansion of curriculum across all subject areas, and enhancements in all specific areas such as Music, Art, and Spanish.

All donors will be listed on the PJPIIRS Community Honor Roll webpage. We plan to have the initial webpage posted on our school's website on or before November 10, 2017. Every dollar raised whether its pocket change or \$1,000 or more from supporters of Catholic education will make the difference in the lives of our future leaders. Another way to support our school is to sponsor a student for all or part of their tuition. In today's challenging financial times, families that wish to provide an education in a faith based school are often left with choosing everyday bills such as food, rent or mortgage, and utilities which can sometimes leave them short for tuition or even been forced not to be able to choose PJPIIRS as an option for their children.

To make a tax-deductible donation either to the Annual Appeal and/or tuition scholarship, please complete the attached form and mail the completed form and check made payable to PJPIIRS Annual Appeal to Attn: Lisa O'Leary, PJPIIRS Business Manager. If you have questions, please do not hesitate to contact me directly at 609-351-1998. **Your kind consideration of a donation will help keep Catholic education a reality for our children. Feel free to share this letter with others who might wish to join you in contributing to making a meaningful difference in the lives of school age children.** To find out more about PJPIIRS, please go to the following Internet links or call to arrange a tour of the school.
