January 2019

Due to the strong personal commitment of families, friends, and community partners, Pope John Paul II Regional School is striving this school year. We are proud to have an enrollment of 145+ students in PreK through 8th grade with many families reaching out to tour our school. Several of our faculty attended specialized reading programs this summer and are utilizing their state-of-the-art knowledge in the classroom to meet student needs. An after-school Science Club geared to hands on learning premiered this school year. Additionally, we continue to upgrade our classroom technology to meet present day needs.

We kindly ask you to consider donating to our Annual Appeal-Invest in our Future. As a Business Sponsor, all donations of \$125.00 and higher will be listed on our upcoming 2019 Business Sponsors and Facebook webpages. The listing will include the name of your business, phone number and logo (if provided). Donors of \$100.00 or less will be listed on our General Sponsors school webpage.

We have a generous donor who has agreed to match up to \$2500.00 for donations received on or before January 30, 2019. With the help of local businesses, we are planning to meet the \$50,000.00 goal given to us by the Diocese of Trenton.

For your convenience, a donor form and return self-addressed envelope is enclosed. For online donations, please visit our website at pjpiirs.com and proceed to the Donate link at the top right of our homepage.
