International Food Dinner Volunteers Needed

In order for our International Night to be a success, we are looking for families to volunteer to donate/prepare a specialty dish from a country that is part of their heritage to be shared with others from the PJP II community (please plan to prepare a dish to serve approximately 10-15 people or more if you'd like). We would also ask you to provide some details about the dish/heritage to be shared with the attendees.

We also need to have several volunteers to assist with serving and preparations if you are available
